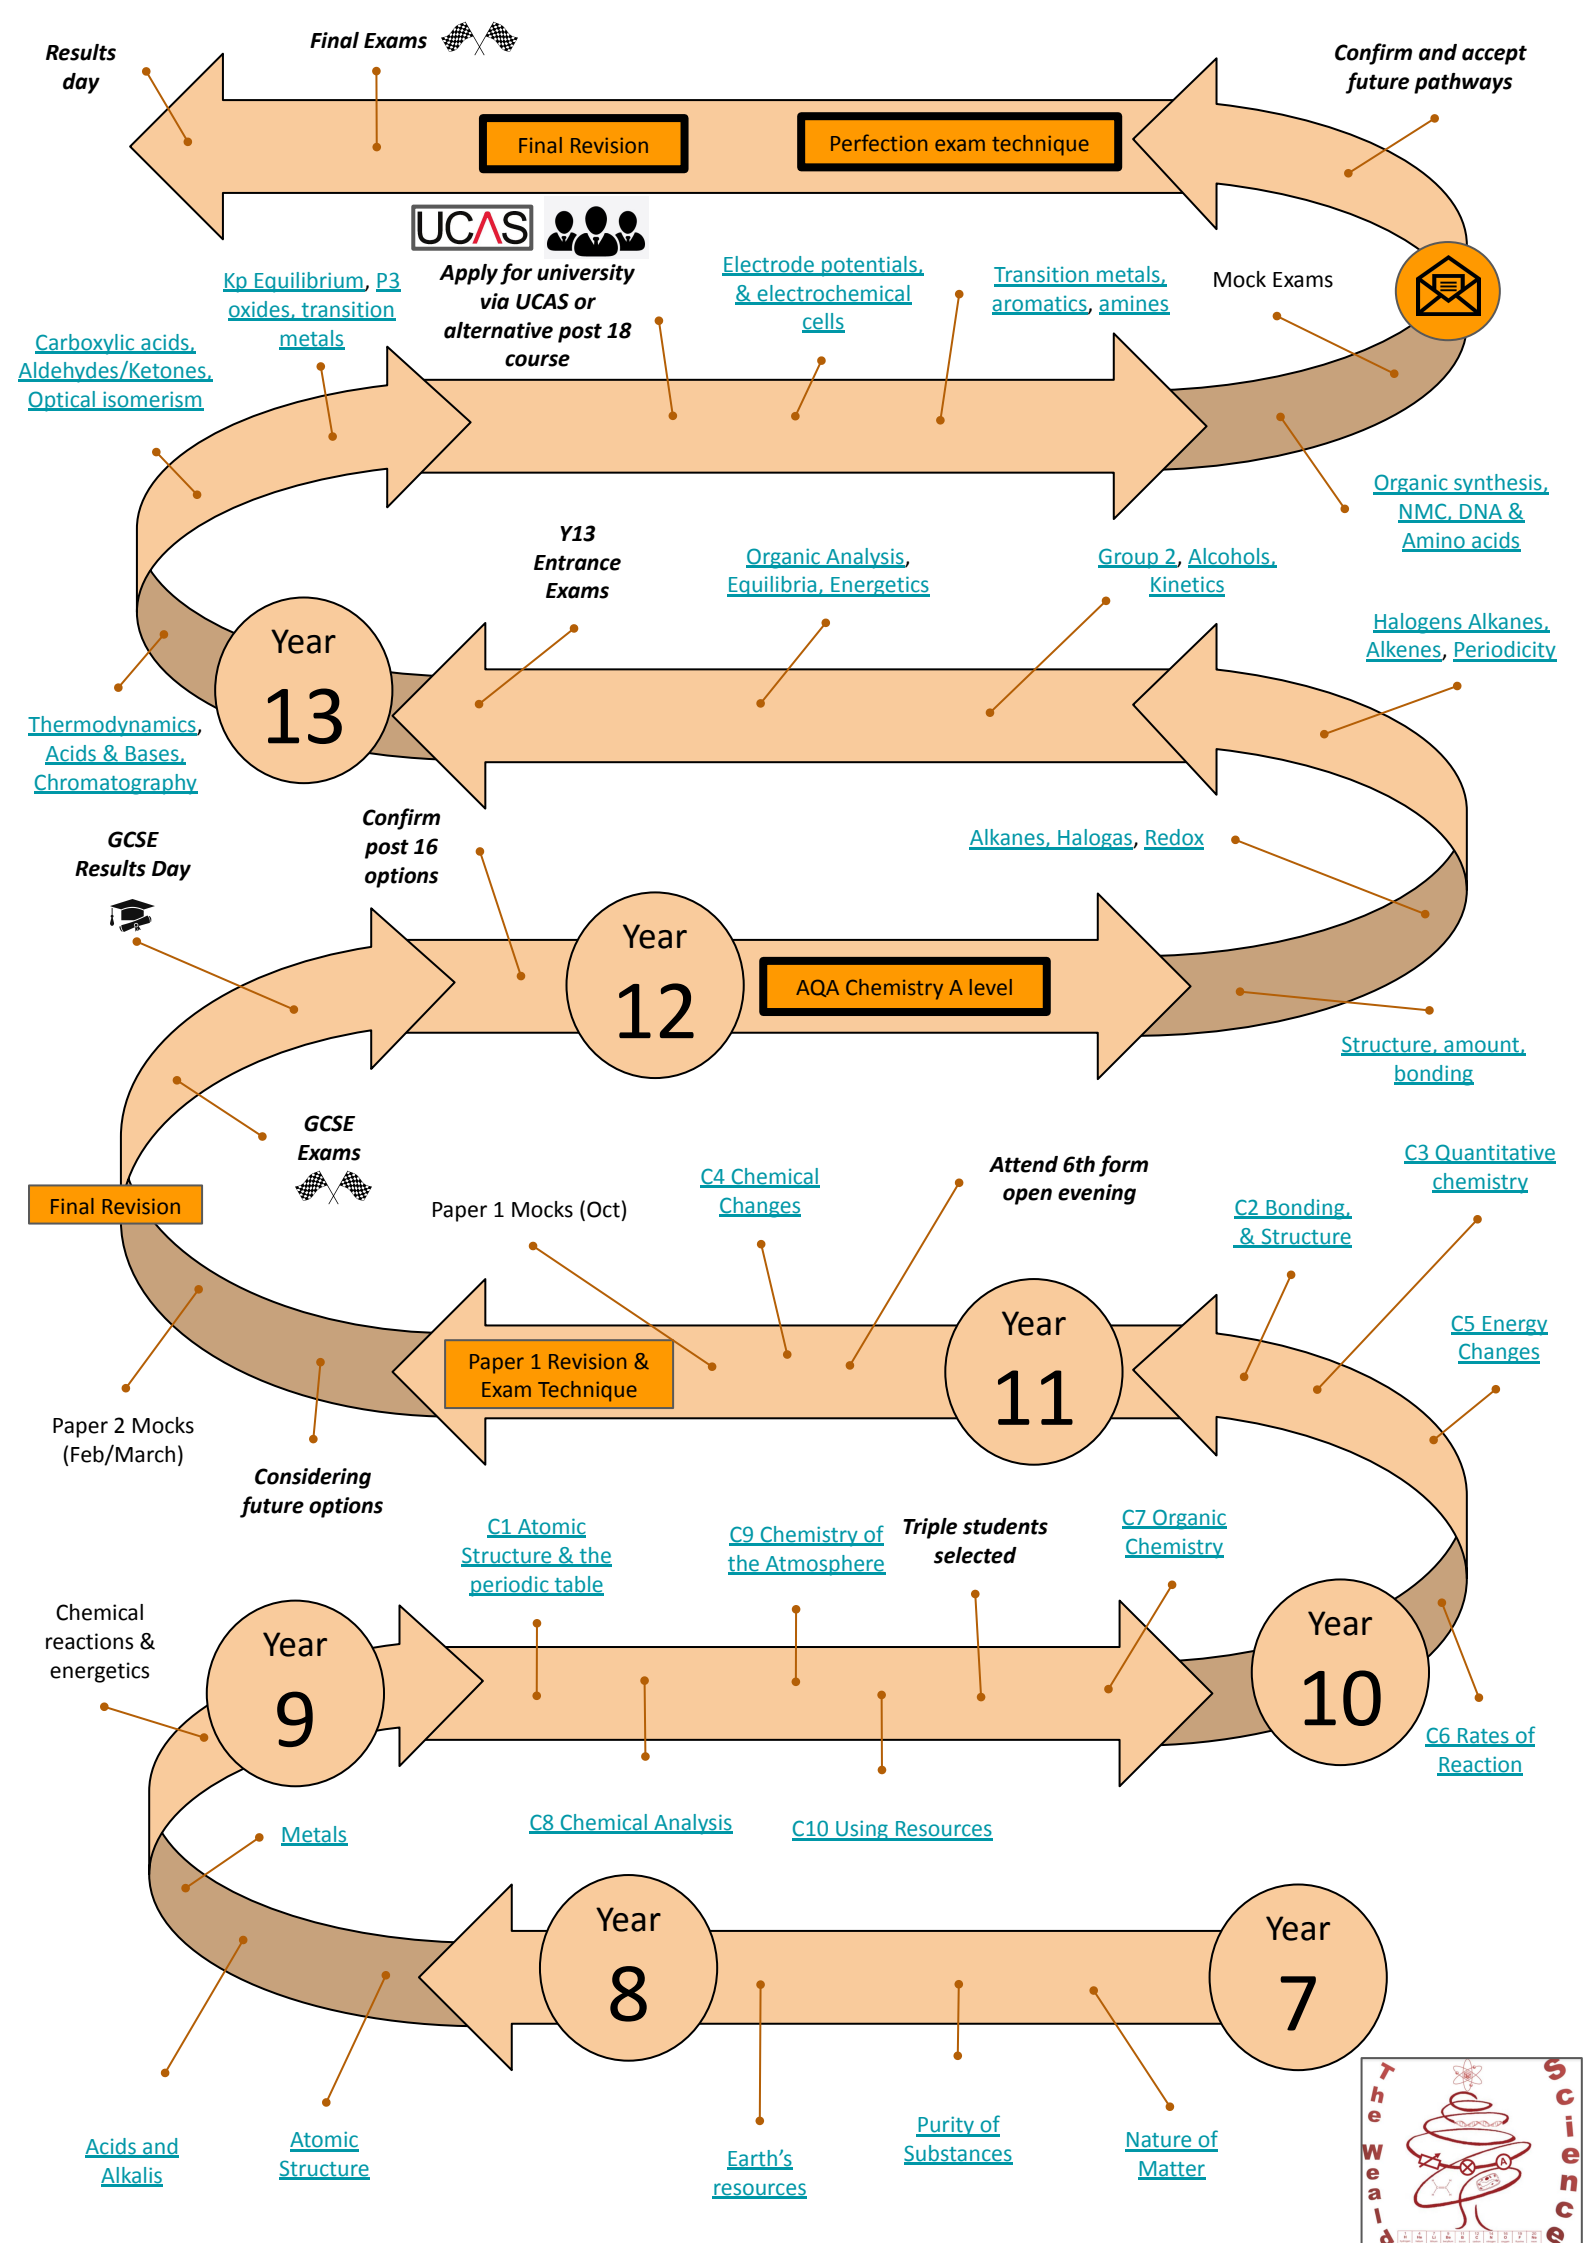
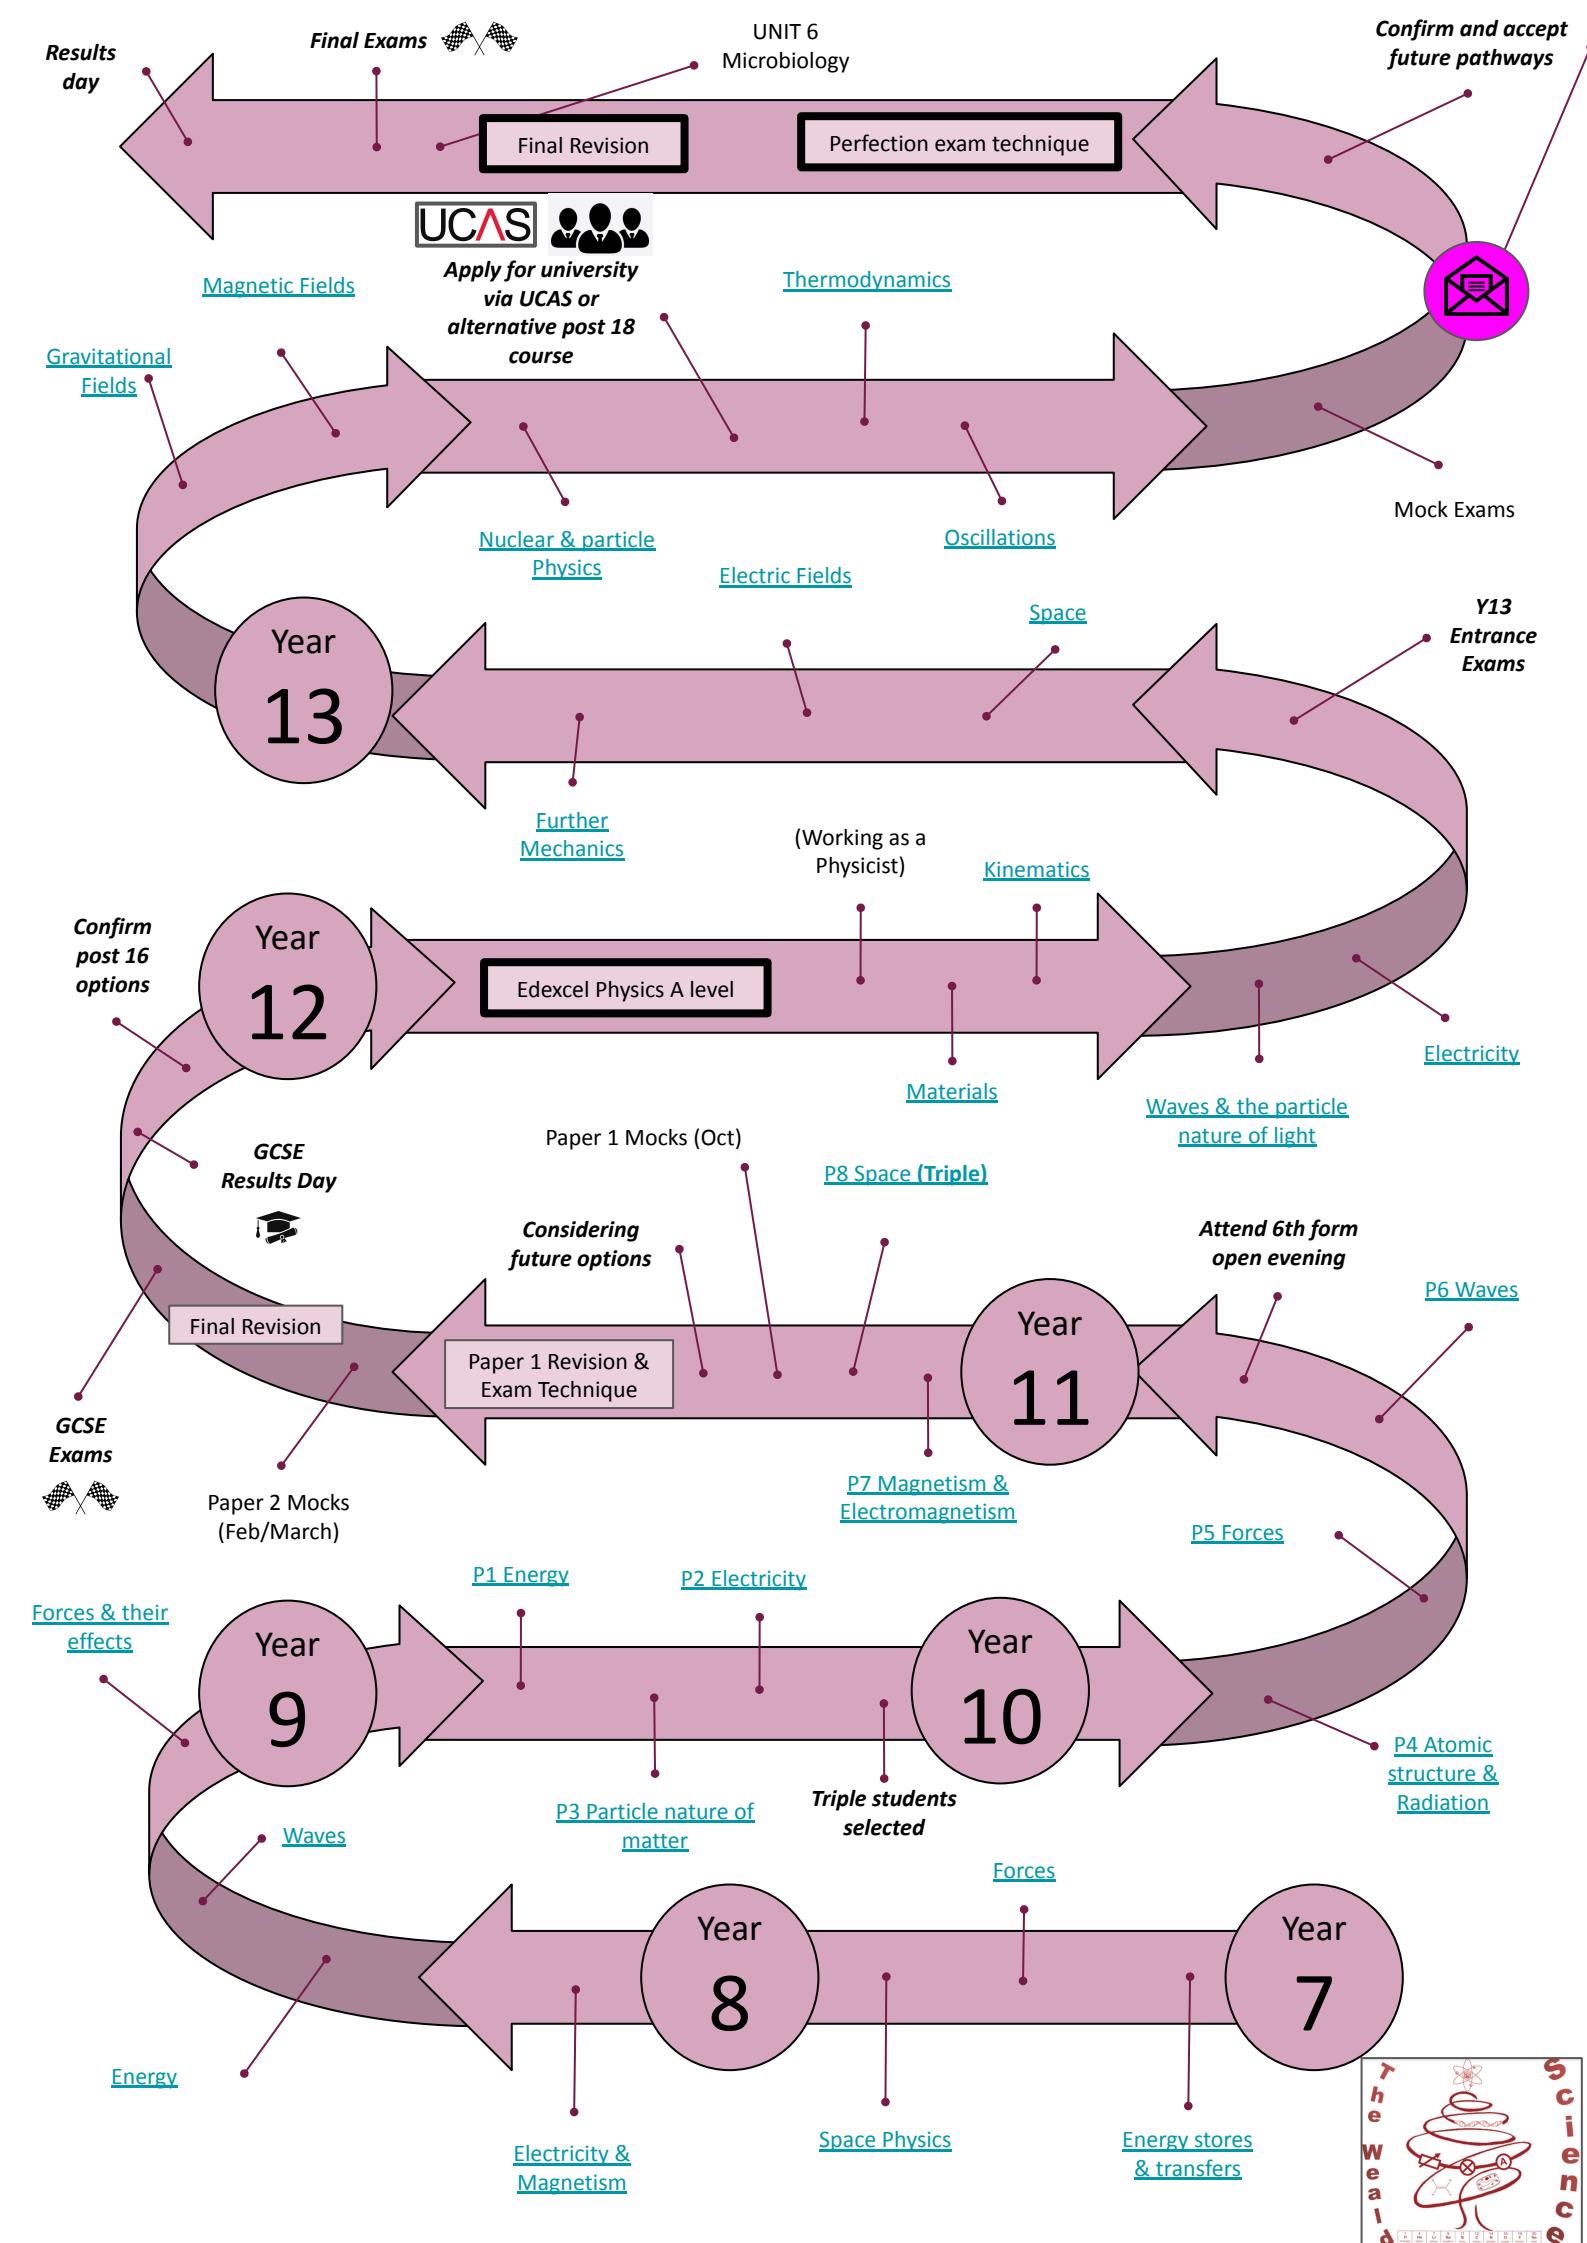
Results day
Final Exams
Final Revision
Perfection exam technique
Confirm and accept future pathways
UCAS
Apply for university via UCAS or alternative post 18 course
Module 6 Genetics, evolution & ecosystems
Module 5 Communication, homeostasis & energy
Mock Exams
Module 4 Disease, Evolution & biodiversity
Y13 Entrance Exams
Year 13
Module 3 Exchange & Transport
GCSE Results Day
Confirm post 16 options
Module 1 - Practical skills in Biology
Year 12
OCR A Biology A level
Module 2 Foundations in Biology
GCSE Exams
Final Revision
Paper 1 Mocks (Oct)
Attend 6th form open evening
B7 Ecology
B5 Homeostasis & response
Paper 1 Revision & Exam Technique
Year 11
Paper 2 Mocks (Feb/March)
Considering future options
B6 Inheritance, variation & response
B4 Bioenergetics
Triple students selected
Year 10
Evolve or Die
B2 Organisation
Respiration & Breathing
Year 9
B1 Cell Biology
B3 Infection & Response
Anatomy & Movement
Year 8
Year 7
Plants & Photosynthesis
How my body works
Ecological Relationships
Food and Health
Life on Earth



Results day
Final Exams
Final Revision
Perfection exam technique
Confirm and accept future pathways
UCAS
Apply for university via UCAS or alternative post 18 course
Kp Equilibrium, P3 oxides, transition metals
Electrode potentials, & electrochemical cells
Transition metals, aromatics, amines
Mock Exams
Carboxylic acids, Aldehydes/Ketones, Optical isomerism
Organic synthesis, NMC, DNA & Amino acids
Y13 Entrance Exams
Organic Analysis, Equilibria, Energetics
Group 2, Alcohols, Kinetics
Halogens Alkanes, Alkenes, Periodicity
Year 13
Thermodynamics, Acids & Bases, Chromatography
GCSE Results Day
Confirm post 16 options
Alkanes, Halogas, Redox
Year 12
AQA Chemistry A level
Structure, amount, bonding
GCSE Exams
Final Revision
Paper 1 Mocks (Oct)
C4 Chemical Changes
Attend 6th form open evening
C2 Bonding, & Structure
C3 Quantitative chemistry
Paper 1 Revision & Exam Technique
Year 11
C5 Energy Changes
Paper 2 Mocks (Feb/March)
Considering future options
C1 Atomic Structure & the periodic table
C9 Chemistry of the Atmosphere
Triple students selected
C7 Organic Chemistry
Chemical reactions & energetics
Year 9
Year 10
C6 Rates of Reaction
Metals
C8 Chemical Analysis
C10 Using Resources
Year 8
Year 7
Acids and Alkalis
Atomic Structure
Earth's resources
Purity of Substances
Nature of Matter
The Weald Science



Results day
Final Exams
UNIT 6
Microbiology
Confirm and accept future pathways
Final Revision
Perfection exam technique
UCAS
Apply for university via UCAS or alternative post 18 course
Magnetic Fields
Thermodynamics
Gravitational Fields
Mock Exams
Nuclear & particle Physics
Oscillations
Electric Fields
Space
Year 13
Y13 Entrance Exams
Further Mechanics
(Working as a Physicist)
Kinematics
Confirm post 16 options
Year 12
Edexcel Physics A level
Electricity
Materials
Waves & the particle nature of light
GCSE Results Day
Paper 1 Mocks (Oct)
P8 Space (Triple)
Considering future options
Attend 6th form open evening
P6 Waves
Final Revision
Paper 1 Revision & Exam Technique
Year 11
GCSE Exams
Paper 2 Mocks (Feb/March)
P7 Magnetism & Electromagnetism
P5 Forces
P1 Energy
P2 Electricity
Forces & their effects
Year 9
Year 10
P4 Atomic structure & Radiation
P3 Particle nature of matter
Triple students selected
Waves
Forces
Year 8
Year 7
Energy
Electricity & Magnetism
Space Physics
Energy stores & transfers
The Weald Science
