

Our Cambridge National in Health and Social Care will encourage students to:

- understand and apply the fundamental principles and concepts of the rights of individuals, person-centred values, effective communication and how to protect individuals in health and social care settings
- develop learning and practical skills that can be applied to real-life contexts and work situations think creatively, innovatively, analytically, logically and critically
- develop independence and confidence in using skills that would be relevant to the health and social care sector and more widely.

**R032: Principles of care in health and social care settings**

**This unit is assessed by an exam.**

In this unit pupils will learn about the key topics that are important when caring for and protecting people in health and social care.

Topics include:

- o Topic Area 1 The rights of service users in health and social care settings
- o Topic Area 2 Person-centred values
- o Topic Area 3 Effective communication in health and social care settings
- o Topic Area 4 Protecting service users and service providers in health and social care settings

**Unit R032: Principles of care in health and social care settings**

**Topic Area 1: The rights of service users in health and social care settings**

**Teaching content**

**Breadth and depth**

**1.1 Types of care settings**

- Health care
- Social care

To include:

- Know examples of each type of setting.

**1.2 The rights of service users**

- The right to:
- Choice
  - Confidentiality
  - Consultation
  - Equal and fair treatment
  - Protection from abuse and harm

To include:

- That service users are entitled to have these rights met in health and social care settings.
- Examples of how service users' rights are met.

**1.3 The benefits to service users' health and wellbeing when their rights are maintained**

- Empowerment
  - Encourages independence and being self reliant
  - Feeling in control of their lives
  - Gives service users choice, control and independence
- High self-esteem
  - Feeling valued
  - Feeling respected
  - Positive mental health
- Service users' needs are met
  - Appropriate care or treatment such as mobility aids provided, or dietary requirements met
  - Results in good/improving physical or mental health

To include:

- Examples of how maintaining rights will benefit service users' health and wellbeing.
- Linking benefits to rights in health and social care settings

<ul style="list-style-type: none"> <li>□ Trust <ul style="list-style-type: none"> <li>● Reassured that service providers will not harm them</li> <li>● Confident that service providers have service users best interests in mind</li> <li>● Confident in the care they receive</li> </ul> </li> </ul>	
<b>Topic area 2: Person centred values</b>	
Teaching content	Breadth and depth
<b>2.1 Person-centred values and how they are applied by service providers</b>	
<ul style="list-style-type: none"> <li>□ Person-centred values <ul style="list-style-type: none"> <li>● Individuality</li> <li>● Choice</li> <li>● Rights</li> <li>● Independence</li> <li>● Privacy</li> <li>● Dignity</li> <li>● Respect</li> <li>● Partnership</li> <li>● Encouraging decision making of service user</li> </ul> </li>   <li>□ Qualities of a service practitioner, the 6Cs <ul style="list-style-type: none"> <li>● Care</li> <li>● Compassion</li> <li>● Competence</li> <li>● Communication</li> <li>● Courage</li> <li>● Commitment</li> </ul> </li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● Know the meaning of person-centred values.</li> <li>● Examples of how the person-centred values can be applied in health and social care settings by service Providers.</li> </ul> <p>To include:</p> <ul style="list-style-type: none"> <li>● Know the meaning of the 6Cs.</li> <li>● Examples of how service practitioners use the 6Cs to inform and deliver person-centred values.</li> </ul>
<b>2.2 Benefits of applying the person-centred values</b>	
Benefits for service providers of applying person centred values	To include:

<ul style="list-style-type: none"> <li>□ Provides clear guidelines of the standards of care that should be given</li> <li>□ Improves job satisfaction</li> <li>□ Maintains or improves quality of life</li> <li>□ Supports rights to choice and consultation</li> <li>□ Supports service practitioners to develop their skills</li> <li>□ Enables the sharing of good practice</li> </ul> <p>Benefits for service users of having the person-centred values applied</p> <ul style="list-style-type: none"> <li>□ Ensures standardisation of care being given</li> <li>□ Improves the quality of care being given to the service user</li> <li>□ Maintains or improves quality of life for the service user</li> <li>□ Supports service users to develop their strengths</li> </ul>	<ul style="list-style-type: none"> <li>● Examples of how applying the person-centred values will benefit service providers.</li> <li>● Linking benefits of applying person-centred values in health and social care settings.</li> </ul> <p>To include:</p> <ul style="list-style-type: none"> <li>● Examples of how applying the person-centred values will benefit service users.</li> <li>● Linking benefits of applying person-centred values in health and social care settings.</li> </ul>
<p><b>2.3 Effects on service users' health and wellbeing if person-centred values are not applied</b></p>	
<ul style="list-style-type: none"> <li>□ Physical effects <ul style="list-style-type: none"> <li>● Pain if medication or treatment is not given</li> <li>● Illness may get worse</li> <li>● Malnutrition/illness due to lack of food for special dietary needs</li> <li>● Dehydration due to lack of regular fluids</li> <li>● Injury</li> </ul> </li> <li>□ Intellectual effects <ul style="list-style-type: none"> <li>● Lack of progress or skills development</li> <li>● Failure to achieve potential</li> <li>● Loss of concentration</li> <li>● Lack of mental stimulation</li> </ul> </li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● Applying examples in all health and social care settings.</li> <li>● Analysing the effects and making connections between the PIES.</li> </ul>

<ul style="list-style-type: none"> <li>□ Emotional effects <ul style="list-style-type: none"> <li>● Depression</li> <li>● Feeling upset</li> <li>● Low self-esteem/feeling inadequate</li> <li>● Anger/frustration</li> <li>● Stress</li> </ul> </li> <li>□ Social effects <ul style="list-style-type: none"> <li>● Feeling excluded</li> <li>● Feeling lonely</li> <li>● Lack of social interaction/poor social skills</li> <li>● Become withdrawn</li> </ul> </li> </ul>	
<b>Topic area 3: Effective communication in health and social care settings</b>	
Teaching content	Breadth and depth
<b>3.1 The importance of verbal communication skills in health and social care settings</b>	
<ul style="list-style-type: none"> <li>□ Adapting type/method of communicating to meet the needs of the service user or the situation</li> <li>□ Clarity</li> <li>□ Empathy</li> <li>□ Patience</li> <li>□ Using appropriate vocabulary</li> <li>□ Tone</li> <li>□ Volume</li> <li>□ Pace</li> <li>□ Willingness to contribute to team working</li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● An understanding of the verbal communication skills linked with how and when they could be used with service users in health and social care settings.</li> <li>● Benefits of using them.</li> </ul>
<b>3.2 The importance of non-verbal communication skills in health and social care settings</b>	
<ul style="list-style-type: none"> <li>□ Adapting type/method of communicating to meet the needs of the service user or the situation</li> <li>□ Eye contact</li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● An understanding of the non-verbal communication skills linked with how and when</li> </ul>

<ul style="list-style-type: none"> <li>□ Facial expressions</li> <li>□ Gestures</li> <li>□ Positioning <ul style="list-style-type: none"> <li>● Space</li> <li>● Height</li> <li>● Personal space</li> </ul> </li> <li>□ Positive body lang</li> </ul>	<p>they could be used with service users in health and social care settings.</p> <ul style="list-style-type: none"> <li>● Benefits of using them.</li> </ul>
<p><b>3.3 The importance of active listening in health and social care settings</b></p>	
<ul style="list-style-type: none"> <li>□ Active listening skills <ul style="list-style-type: none"> <li>● Open, relaxed posture</li> <li>● Eye contact, looking interested</li> <li>● Nodding agreement</li> <li>● Show empathy, reflecting feelings</li> <li>● Clarifying</li> <li>● Summarising to show understanding of key points</li> </ul> </li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● An understanding of the active listening skills linked with how and when they could be used with service users in care settings.</li> </ul> <p>Benefits of using them.</p>
<p><b>3.4 The importance of special methods of communication in health and social care settings</b></p>	
<ul style="list-style-type: none"> <li>□ Advocate</li> <li>□ Braille</li> <li>□ British Sign Language</li> <li>□ Interpreters</li> <li>□ Makaton</li> <li>□ Voice activated software</li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● An understanding of each special method of communication linked with how and when they could be used with service users in health and social care settings.</li> <li>● Benefits of using them.</li> </ul>
<p><b>3.5 The importance of effective communication in health and social care settings</b></p>	
<ul style="list-style-type: none"> <li>□ Supports the person-centred values and individual's rights <ul style="list-style-type: none"> <li>● Empowerment</li> <li>● Reassurance</li> <li>● Feeling valued</li> <li>● Feeling respected</li> <li>● Trust</li> </ul> </li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● Know the meaning of 'safeguarding'.</li> <li>● Reasons why service users need safeguarding.</li> <li>● Examples of the impacts.</li> </ul>

<ul style="list-style-type: none"> <li>□ Helps to meet service users' needs</li> <li>□ Protects the rights of service users</li> <li>□ The impact of good communication skills <ul style="list-style-type: none"> <li>● Well informed service users</li> <li>● Actively listening to service users' needs, concerns, and opinions enables them to feel valued and respected</li> <li>● Using appropriate vocabulary/no jargon aids understanding so service users feel reassured</li> </ul> </li> <li>□ The impact of poor communication skills <ul style="list-style-type: none"> <li>● Misunderstanding if information not clearly explained</li> <li>● Errors or danger to health due to inaccurate record keeping</li> <li>● Distress/upset if service user feels patronised</li> <li>● If speech is too fast the listener will not have time to take it all in</li> </ul> </li> </ul>	
<b>Topic area 4:</b>	
Teaching content	Breadth and depth
<b>4.1 Safeguarding</b>	
<ul style="list-style-type: none"> <li>□ Service users who need safeguarding <ul style="list-style-type: none"> <li>● Vulnerable groups – e.g. homeless people</li> <li>● Children</li> <li>● People with physical and learning disabilities</li> <li>● People with mental health conditions</li> <li>● Older adults in residential care settings</li> <li>● People who have a sensory impairment – sight loss, hearing loss</li> <li>● People in residential care dependent on carers – children, older adults</li> </ul> </li> <li>□ Impacts for service users of a lack of safeguarding <ul style="list-style-type: none"> <li>● Physical impacts</li> <li>● Intellectual impacts</li> <li>● Emotional impacts</li> </ul> </li> </ul>	

<ul style="list-style-type: none"> <li>● Social impacts</li> <li>□ Safeguarding procedures in care settings <ul style="list-style-type: none"> <li>● Safeguarding policy</li> <li>● Designated Safeguarding Lead (DSL) person with responsibility for safeguarding</li> </ul> </li> <li>□ Safeguarding training for all staff so that they <ul style="list-style-type: none"> <li>● Are aware of their duty to report a serious concern</li> <li>● Know the care settings procedures for reporting a disclosure of abuse or serious concern</li> <li>● Can recognise possible signs of abuse or harm</li> <li>● Know who to report to</li> </ul> </li> <li>□ Disclosure and Barring Service (DBS) checks for all staff <ul style="list-style-type: none"> <li>● Standard checks</li> <li>● Enhanced checks</li> <li>● The barred list</li> </ul> </li> </ul>	
<p><b>4.2 Infection prevention</b></p>	
<ul style="list-style-type: none"> <li>□ General cleanliness <ul style="list-style-type: none"> <li>● Use anti-bacterial sprays on surfaces</li> <li>● Clean toys and play equipment regularly</li> <li>● Mop floors and vacuum carpets daily</li> <li>● Clean and disinfect toilets frequently</li> <li>● Correct disposal of hazardous waste in health and care settings</li> </ul> </li> <li>□ Personal hygiene measures <ul style="list-style-type: none"> <li>● Hair tied back/covered</li> <li>● Open wounds covered</li> <li>● No jewellery</li> <li>● No nail polish</li> <li>● Correct hand washing routine</li> <li>● Regular showering and hair washing</li> <li>● Regular brushing of teeth</li> <li>● Appropriate use and disposal of tissues/ antiseptic</li> </ul> </li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● Reasons for carrying out infection prevention in different types of care settings.</li> <li>● How they protect the health and wellbeing of service providers and service users in different types of health and social care settings</li> </ul>

<p>wipes/sanitiser</p> <ul style="list-style-type: none"> <li>□ PPE (personal protective equipment) <ul style="list-style-type: none"> <li>● Disposable aprons</li> <li>● Disposable gloves</li> <li>● Rubber gloves</li> <li>● Face masks</li> <li>● Hairnets or hygiene hats</li> <li>● Overalls</li> <li>● Overshoes</li> <li>● Surgical garments/scrubs</li> </ul> </li> </ul>	
<p><b>4.3 Safety procedures and measures</b></p>	
<ul style="list-style-type: none"> <li>□ Safety procedures for reducing risk/danger and promoting good practice <ul style="list-style-type: none"> <li>● First aid policy</li> <li>● Risk assessments</li> <li>● Staff training programmes for</li> </ul> </li> <li>○ Equipment use</li> <li>○ Moving and handling techniques</li> <li>○ First aid <ul style="list-style-type: none"> <li>● Emergency procedures</li> </ul> </li> <li>○ Fire drill</li> <li>○ Evacuation <ul style="list-style-type: none"> <li>● Equipment considerations</li> </ul> </li> <li>○ Fit for purpose</li> <li>○ Safety checked</li> <li>○ Reporting system for damage</li> <li>○ Risk assessed</li> <li>□ Safety measures <ul style="list-style-type: none"> <li>● Displaying a fire safety notice</li> <li>● Using warning signs</li> </ul> </li> <li>○ A 'wet floor' sign</li> <li>○ 'No entry' sign</li> </ul>	<p>To include:</p> <ul style="list-style-type: none"> <li>● The importance of the procedures and measures.</li> <li>● How they protect service providers and service users in different types of health and social care settings.</li> <li>● Know the difference between a 'procedure' and a 'measure'</li> </ul> <p>○ A procedure is set process that is followed such as a fire drill or carrying out risk assessments.</p> <p>○ A measure is a particular action such as putting up a wet floor sign.</p> <p>Does not include:</p> <ul style="list-style-type: none"> <li>● Full details of how to carry out a risk assessment.</li> <li>● First aid practice.</li> </ul>

#### 4.4 How security measures protect service users and staff

##### Security measures

- Identifying staff
  - ID lanyards
  - Staff uniform
- Monitoring of keys
  - Limits number of people with access to keys
  - List of keyholders – know who has the keys
- Receiving and monitoring visitors
  - Staff on duty at entrance monitors access
  - Signing in and out book for visitors, know who is there and who has left
  - Issuing visitor badges
- Reporting of concerns to line managers
  - Appropriate action can be taken by senior staff
- External doors, restricting access
  - Electronic swipe card entry system
  - Buzzer entry system
  - Security pad with pin code
- Window locks and restraints
  - Keeps vulnerable service users safe – prevents falling out of open window or strangers entering

##### To include:

- Reasons for security measures in different types of health and social care settings.
- How they protect the health and wellbeing of service users and service providers in different types of health and social care settings
