

3 May 2024

Dear Parent/Carer,

Y7, Y8 & Y9 ACE Week 2024 - 1 to 5 July 2024

I am delighted to inform you about the arrangements and activity choices for ACE week 2024. ACE stands for Alternative Curriculum Experience and is a week where our students are off timetable and taking part in activities and experiences that help to enrich their education and give them a chance to try something that they would not normally do.

The plan for the week is as follows.

	Mon 1 July	Tues 2 July	Wed 3 July	Thur 4 July	Fri 5 July
Year 7	Geography & Science fieldwork	A 2 day activity chosen from section A in the booklet linked below		A different 2 day activity chosen from section B in the booklet linked below	
Year 8	Shakespeare festival				
Year 9	Technology project				

Please see the separately linked booklet of activities available to choose from. Each activity offers a great opportunity for our students to try something different, to challenge themselves or share a passion for a hobby with others from our community. Some of the activities have a cost attached to them, but many of them are free, so there are lots of excellent opportunities! Choices must be entered on the [google form](#).

The deadline for submitting choices is Friday 10 May to allow us to allocate students to activities. If choices are not submitted you will be allocated spaces on a free activity where there is space. Activities that have a cost attached to them will appear on parentpay once this allocation has taken place and we will require **any necessary payment for these by 31 May 2024**.

Should you have any questions about ACE week then please do not hesitate to contact me by email esperring@theweald.org.uk.

Yours faithfully,

Miss E Sperring
Enrichment & Ace Week Coordinator
