Dear Parent/Carers,

**Expression of interest - All Year Groups - England Football Games at Wembley Stadium**

Thank you so much for the incredible response from those that expressed an interest in a potential trip to Wembley.

Unfortunately, we were unable to purchase any tickets for the Saturday match as they were sold out prior to them releasing tickets for a group booking to be made. We are naturally very disappointed about this and the FA have told us that this has never happened before. We have therefore been liaising closely with the ticket suppliers and have been told that it is likely that tickets for the match on Tuesday 26 March 2024 vs Belgium (KO 19:45) may not go on sale until the New Year. We will continue to liaise with the FA and endeavour to obtain tickets for the Tuesday match but obviously there is no guarantee of success.

As previously advised, if we are able to secure tickets for this match as it would be a late return to school, given that the next day is a normal school day this trip will only be offered to students in Years 9,10 & 11.

We will be in touch again once we know if we are successful in securing tickets.

Yours faithfully,

Mr O Setchell  
PE Teacher
