

7 February 2025

Dear Parents/Carers,

Year 11 Rewards 2025

When Mrs Gardner and I met with Year 11 parents and carers at the Welcome Evening in September, we said that this year would fly past. As we enter the final 12 weeks with our Year 11 students, we want to recognise their engagement, effort and enthusiasm as we enter the second round of mock exams.

We do not underestimate the amount of hard work and determination that is required of our students and so, we wish to reward them for this. We have launched a rewards scheme, which we would like to outline to you, so that you can support this system at home. Each student has been given a reward stamp card, which their teachers can sign. They will collect signatures for excellent revision including attending revision, catch up or extra intervention sessions, completing extra past paper or practice questions and for completing excellent and effective [RED Review](#) (these are a set of revision strategies which really work!).

Once students collect 10 signatures, they can present their card and swap it for a range of rewards such as sweets, chocolate, stationary as well as a range of reward tokens. These include tokens to claim rewards such as choosing prom songs, lunch queue jump passes, access to the Sixth Form pool table and wearing non uniform items.

Students are already claiming their rewards and we are excited to see everything that they can achieve as a result. Please check in with your child about this to ask them if they have their card, are getting it signed and which prizes they are most motivated to achieve.

We would also like to take this opportunity to thank you for the support you are providing at home. If you have any questions about these rewards or any other aspect of Year 11 support, please do get in touch with us.

Yours faithfully,

Miss A Cortizo
Deputy Headteacher

Mrs H Gardner
Head of Year 11
