6 November 2026

Dear Parent/Carer,

Mock Reward Pyjama Day - Monday 23 November

Thank you for your support in helping Year 11 to start their mock exams so well. The year group has behaved really well and have made a great start. Please keep checking their exam timetables, revision schedules and equipment. They have generally been good at bringing the right equipment but several did not have calculators for the first science exams.

A group of students have asked me if we could do something to recognise the efforts the students have made in these mocks and do something fun at the end of the series of exams. We agreed that we would have a 'pyjama day' on Monday 23 November. On this day Year 11 students can come to school in pyjamas or other comfy/casual clothes. Please be mindful that the students will still be doing a full day of lessons so need to be wearing clothes that are practical, warm and appropriate for a school environment. Additionally, like all Year 11 celebration and reward events, students' participation in this day will depend on their ongoing meeting of our Ready, Respectful, Working and Safe expectations for behaviour in our community. This is especially the case in exams, students who have not attended, not fully attempted exams and/or do not behave as we would expect in exams will not be able to take part.

Also, as a result of the burst water main on Monday we have moved the dates of some mocks. This has meant we need to also move back the results day. The students will now get their results in a special assembly on Tuesday 8 December. This replicates in a small way the way results are given in the summer. We will ensure that students who will find this especially difficult are supported through this and will put individualised plans in place for students that need this.

Thanks again for your support and do get in touch if you have any queries about either of the above.

Yours faithfully,

Mr T Brixey
Head of Year 11

EVERY CLASS,
