

30 January 2026

Dear Parent/Carer,

Year 12 Work Experience 2025/2026 and Parent Launch Event Follow Up

Following the launch event held on Tuesday 27 January, which was attended by many students and parents, I would like to thank you for taking the time to attend and for your continued support.

For those who were unable to attend but would like to find out more about the **Year 12 Work Experience Programme**, I have attached the slides from the meeting for your reference.

I would also like to offer a gentle reminder that the deadline for students to record their Year 12 work experience placements on Unifrog is **Tuesday 23 April**. While placements can sometimes be challenging to secure, it is important to remember that work experience does not need to directly relate to a student's intended future career. Instead, students should consider the transferable skills they may develop and how these can support their future pathways.

If you have any questions regarding work experience, please do not hesitate to contact me at careers@theweald.org.uk, and I will be happy to respond as soon as possible.

Yours faithfully,

Mrs D Goodlad
Careers Coordinator
