

7 January 2026

Dear Parent/Carer,

**Enrichment Day - Thursday 19 March 2026**

Our second enrichment day of the academic year is **Thursday 19 March**, and we are delighted to be able to offer a day packed full of opportunities for all our year 7 students.

We have a number of in school activities and day trips on offer. For those activities that take place within the normal school day parents are not obliged to make a contribution, however, the cost of travel, activities and meals fall outside of the normal day for trips. It is probable that if insufficient monies are received, the trip will have to be cancelled.

If a situation occurs where a trip becomes oversubscribed, a lottery system will be used to select students fairly.

**Off site trips:**

- **The Observatory Science Centre, Herstmonceux - £25.00pp**

Students will visit the discovery centre where everyone can experience Spectacular Science through the medium of interactive activities- every exhibit is designed to be played with to see what happens; investigate, learn and have fun!

- **Hercules The Musical, Theatre Royal Drury Lane London - £42.50pp**

Get ready for an afternoon of fantastic musical theatre. **The musical, inspired by the animated film, based on the ancient myth. It's what classical civilisation would have wanted.** Ancient Greece. A time of gods, mortals... and Hercules, who isn't quite either. But if he's not a god, how can he possibly save the world from Hades? It's one thing flexing those pecs, but going from zero to hero requires a different kind of strength. Get ready for a wise-cracking, column-shaking, underworld-rocking ride of adventure and self-discovery. In tunics.

**In school activity**

If your child is not on a trip they will attend school as normal, in appropriate PE kit.

- **Opportunity & Community Day\_- Free of charge**

Students will take part in various onsite activities including first aid and community activities focusing on personal resilience and gratitude.

Please complete the registration form by **Friday 16 January 2026** for your child's choice of activity.

### **ED2 Activity Interest Form**

Please encourage your child to submit the relevant google forms by **9.00am on Friday 16 January 2026**.

Once your child has been allocated a trip, the voluntary contribution is payable via ParentPay by Monday 2 February. You are not obliged to make this contribution, but if insufficient funds are received, it is likely that the trip will be cancelled. If you are unable to contribute, please contact [trips@theweald.org.uk](mailto:trips@theweald.org.uk).

### **Behaviour expectations**

We have the same expectations of our students when in school or on a trip. Students must show that they can follow instructions and behave safely whilst in school in order to prove they can also do this away from school. You will be asked to accept our behaviour disclaimer on the Passport, Behaviour, Medical & Dietary Information Form.

We would encourage you to read all trip terms and conditions, including cancellation policies, medical, refunds and student expectations on our website under School Policies or by using the following link [here](#).

To help keep our records up to date, please inform us of any changes to your child's personal or medical information on the google form and this can also be updated through the 'My Child At School' (MCAS) App.

Further details of the trip will be provided by the relevant trip leaders in the coming weeks through discussion in lessons and by letter.

If you would like to discuss this further, please do not hesitate to contact us via email: [trips@theweald.org.uk](mailto:trips@theweald.org.uk).

Yours faithfully,

Miss E Sperring  
**Enrichment and ACE Week Coordinator**
