Supporting The Weald School Charitable Trust

Our Christmas Gift & Craft Fair is not only a fantastic opportunity to bring our school and local community together but also an important fundraising event for The Weald School Charitable Trust.

Funds raised for the Trust will help provide additional equipment, resources and opportunities that directly benefit our students and enhance their school experience. Examples of recent items funded by the Charitable Trust have been portable photo booths, wireless microphones, sensory items, heat press mats, mannequins and of course our brand new minibus!

By attending the event and supporting our charity raffle, bottle tombola and other fundraising activities, you will be helping to make a real difference to our school community.
