

15 September 2023

Dear Parent/Carer,

**Key Stage 3 Homework Club**

Year 7 have had a brilliant start to their life as part of the Weald community and I have been incredibly proud to see enthusiasm in lessons, kindness in corridors and friendships blossoming in social time. I hope that your child has had a positive experience in their first two weeks with us and encourage you to contact their form tutor if you (or they) have any concerns.

As we continue the year, I am keen to support pupils to succeed in Key Stage 3 and beyond. Independence in learning is an important aspect of this and one habit we aim to develop is excellent organisation and strong determination to complete homework to a good standard and on time. We understand that this may be difficult for some students, for a multitude of reasons, and as such offer a dedicated homework club two days a week.

There is no need to book a place in advance and if your child is interested, they can go to G5 on a Wednesday or Thursday straight after school. The room is equipped with computers and will be staffed by our learning mentor and/or a teaching assistant who will be happy to help with homework tasks. The expectation is that this is a quiet and focussed environment where students can start to meet the demands of homework in a guided way.

Other after school clubs will also be starting shortly and details about these will be published on the school website in due course.

**Dates for your diary:**
