

Welcome to Year 7

Please take a QR
code sheet - this
links to lots of
useful online
resources!

This presentation
will be shared on
line after today to
refer to

22/09/25 - Mrs H Gardner - Head of Year 7

Housekeeping

1. Slides from this presentation will all be emailed and available on the website after this event
2. Please stick to the areas around the Plaza, Canteen and upstairs in the E Block - this way we can ensure supervision around the site
3. Assembly point is the plaza/field - you will be shown there by teachers in the event of an emergency

We work best when we work together!

- Set up a strong start for a successful year 7
- Equip you with the information, resources and channels of communication you need
- Work with you so your child to achieves their best - by being Ready, Respectful, Working and Safe

The Weald School

A 'how to' guide
to supporting your
child at school.

Year 7

We work best when we work together!

OPPORTUNITY

Challenge & support
High expectations & empathy
Rigour & optimism

COMMUNITY

Mutual respect
Working together
All stakeholders engaged

We work best when we work together!

OPPORTUNITY

Work hard!

COMMUNITY

Be kind!

Getting the basics right, everyday

Our ethos is embodied everyday by our Behaviour for Learning policy:

- ❑ Ready
- ❑ Respectful
- ❑ Working
- ❑ Safe

1 Arrive on time with the correct equipment Be on time! Pens x2, Pencil, Ruler, Rubber, Calculator Correct uniform	READY
2 Keep hands, feet and comments to yourself Don't shout out Are you... engaged? resilient? motivated? Be kind to yourself & to others	RESPECTFUL
3 Listen in silence and put your hand up to speak Work hard Actively listen Work in silence when asked	WORKING
4 Do as you are asked when asked Follow instructions Are you supporting your own learning & that of others? No mobile phones	SAFE
The Weald community school and sixth form Teachers aim to: 1. Meet and greet you and sanction lateness 2. Be positive and consistent with you 3. Warn you calmly to prevent sanctions 4. They will not negotiate and will follow things up	

Opportunity and Community

What does working well look like at The Weald?

RED REVIEW: (+ KOs) to remember more

Retrieval from memory (no peeking!)	Elaboration explain why/how (in your words!)	Dual coding images with words (keep it simple!)
-------------------------------------	--	---

RATIO: rise to the challenge

Everybody No opt out!	Hands down except Qs/ABC	Think hard keep trying for longer
-----------------------	--------------------------	-----------------------------------

RESPOND: to feedback

Watch, listen to and read your feedback	Action feedback to improve	Check to not repeat mistakes
---	----------------------------	------------------------------

READ: speak and write like a subject expert

Learn and use words from KOs	Read with finger/ruler + KO	Write and speak using subject structures
------------------------------	-----------------------------	--

RESPONSIBILITY: take it!

Have you stopped and checked? Re-read the Q or the worked example	Have you got what you need? Use resources - book, KOs or PLCs	Have you understood? Ask students and teachers for help
--	--	--

Opportunity and Community (work hard and be kind)

Getting the basics right, everyday

1. AtL (Attitude to Learning) is everything!
2. Attendance and punctuality
3. Equipment
PRPR/C
4. Uniform
5. Character and kindness
6. Mobile phones
7. Looking after your health - support

How do we work well at The Weald?
Taking pride in our presentation

How we present our work shows that

- Our work is important - we are proud of it
- We check and correct mistakes - to learn from them
- We regularly review our work - it needs to be neat

c/w or h/w	<u>Copy the title down</u>	<u>Date</u>
 Use margins for numbers and letters	 <u>Use a ruler to underline headings</u>	
	1) Black or blue ink	
	2) Single line through errors	
	3) ✓ Check / correct in another colour	
 Tag in sheets to save paper!	Start writing next to the margin	
	Use pencil for diagrams or drawings So mistakes can be rubbed out	
		
	Rule off under work before the next title	

Check and correct SPaG - copy spellings from the KO

No doodles or scribbles!

Don't waste space - use every page

**BUT STUDENTS CAN ONLY
THRIVE FROM THESE
OPPORTUNITIES IF
THEY'RE HERE - AS PART
OF OUR COMMUNITY!**

We must all work together to make attendance our priority

Students who attend school nearly every day in Year 11 are **1.9 times more likely to achieve a Grade 5 in English and Maths GCSE** compared to students who only attend **90-95%** of the time

They are **3 times more likely than students** who only attend 85-90% of the time (who lost a total of 4 - 6 weeks of school)

We must all work together to make attendance our priority

This means missing just 10 days of year reduces the likelihood of achieving grade 5 in English and Maths by around 50%!

A8 vs Attendance %

Attendance leads to Achievement

Lessons missed

120

174

234

240+

You attend all or almost all the time. You have the best chance of achieving your potential!

96-100%

10-20 school days missed across the year. Your form tutor will talk to you & contact home.

91-95%

Up to 29 school days missed. We are very concerned. A plan will be put in place with you & your family.

86-90%

30+ days missed. Urgent action needed to improve and help you to catch up.

81-85%

40+ days missed across a year. External support may be necessary.

below 80%

Students with 95-100% attendance are 1.9 times more likely to achieve a grade 5 in English and Maths than those with 90-95% attendance. This equates to up to 20 days extra in school over the year - the equivalent of up to 1 day off per fortnight. (DfE, March 2025)

Year 7 is all about...

- Making that leap from primary to secondary school
- Settling in, making new friends and developing independence
- Learning in a new environment with specialist teachers
- Trying lots of new things!

Key Milestones and Dates for Year 7 2025-26

- W/C 20th October: Tracking 1 (RRWS only)
- 27th November: Enrichment Day 1
- W/C 12th January: Assessments 1
- 19th March: Enrichment Day 2
- 15th / 16th April: Parents' Evening
- W/C 18th May: Assessments 2
- 29th June-3rd July: ACE Week

When are the significant assessment dates in Year x7?

Key assessment dates:

W/C 12th January: Assessments 1

W/C 18th May: Assessments 2

Assessment Cycle:

1. Letter from HoY - to support subject preparation homework
2. 4 weeks of 'RED Review' homework (using knowledge organisers) set by subject teachers
3. Assessment week/s in school
4. Tracking Reports
5. Analysis and actions ahead of next assessment/tracking report

(Repeat - x2 a year)

What works in assessment preparation?

April 2023

Dear Parent/Carer,

Year 8 Assessment Information

I am writing ahead of the Year 8 assessments Monday 15 May. This is a longer assessment than in the previous assessment weeks.

w/c 15th May - Maths, English, History, Science
w/c 22nd May - Maths, RS, Geography, French

Assessments will all take place in classroom. Child will be informed by their teachers the this will be posted on Talary.

These assessments will check learning from child to demonstrate the progress they are these assessments (in the form of a % in the

Below is a summary of the topic/s your child revision timings, revision resources and task some advice for parents in supporting their <https://youtu.be/61tqchb8G2c>

I hope you find this helpful in supporting you me if you have any further questions.

Yours faithfully,

Mr T Brisey

Head of Year 8

Station Road, Billis

Headless

thrive10ththeweald.org.uk

Year 8 Assessment Information

15th May - 27th May

For your assessments, please bring:

- PRPRC: 2 pens, 2 pencils, ruler, rubber and calculator
- Specialist equipment is not needed for your maths assessment

Suggested revision timings (30 minutes - 1 hour per subject)

Click on this link for some homework and revision strategies

- 2 x 15 minute slots with a 5 minute break in between
- 1 x 30 minute slot with no break
- 4 x 15 minute slots with 5 minute breaks in between
- 2 x 30 minute slots with a 10 minute break in between
- Please do not revise for longer than 1 hour for each subject per week

How to revise effectively:

Students might find these feel harder, especially at first, but they are proven to help things stick	Students often do these as they can feel easier or reassuring, but don't always work
DO: • <u>Get Revision Strategies</u> • Parents / Friends testing you • Write, cover, learn, write • Revision cards and test yourself • Quizlet/Semeca Learning • Mind maps • Keyword tests • Reviewing topics you are NOT confident with • Practice questions	AVOID: • Writing notes out for a long time • Reading over the textbook / notes for a long time • Using untrusted websites • Revising with your phone on music • Revising with a laptop or computer where you are tempted to go on Youtube, etc. • Reviewing topics you already know really well first

Subject information

Subject	Topic/s	Revision Material
English	Reading - a character question about a main character from 'Coraline' Writing - a persuasive speech on a given topic	• <u>Coraline Revision organiser</u> • <u>BBC Bitesize speech writing</u>
Maths	Two x 50 minute papers. One non-calculator paper and one calculator paper The topics are all those covered in year 7 and	• <u>Revision List</u> with Spax codes • <u>Curriculum Map</u> with Knowledge Organisers

RED REVIEW: (+ KOs) to remember more

Retrieval
from memory
(no peeking!)

Elaboration
explain why/how
(in your words!)

Dual coding
images with words
(keep it simple!)

RED Review Booklet

Don't waste time revising ineffectively.

Use proven RED Review strategies.

Practice and prepare using effective strategies to increase the chances of your revision paying off!

Look, cover, write check is a simple technique which requires no other resources! They can look at the KO (or get it out) and then you told it while you check what they remember

Give them the right answers or meaning then ask them why that is true or how it works in that way - get them to do it without looking and in their own words helps!

Key Questions to ask

- Why is this true? It works like this?
- Why...? How...? It...?
- How is this the same/different to other points or topics?
- Can you think of an example of this in real life or another topic?

For keywords they can create flashcards with word on one side and the definition on the other

Practise with them checking which they remember

Check those they don't know yet more, leaving a gap before checking those they know again

Mind maps work really well to show categories and connections between facts

Mix it up! - sometimes give the answer and ask them to give you the date, word, person or process that it is describing

Without looking, they can write down as much of the KO that they can remember in one colour. Then, in a different colour they can check the KO for what they forgot, adding that in. Repeating this should show they remember more in time!

For diagrams, timelines or processes ask your child to explain and teach it to you in their own words

For diagrams ask students to talk and trace - explaining each part as they move their finger over it

Blank out or cover up parts of the KO to see if students can remember these without looking

How can we communicate about your child?

e-Weald

How will we reward your child?

New for 2025-26

Rewards at The Weald

Annually

Annual House Cup

End of year celebration for the winning house in their final double lesson.

Gold Awards

Nominated by teachers for effort, and by subject leaders & SLT for achievement.

Food with Friends

1000* HPs = go for food with a friend during a lesson, or make smores in Forest School.

Termly

Shackleton Awards

Nominations from all staff.

Tracking Awards

Bronze, Silver and Gold awards after tracking.

House Cup

Prizes for attendance, ATL, Golden Weald Card (positive signatures prize draw), reading classics.

Biscuits with Bonnie

Top 10 highest HPs from each year group (no repeats).

Half Termly

House Point Certificates

Postcard and sweets for 100/250/500/750/1000 HPs.

HoY Reward Events

E.g. movie, sports, picnic in the reflection garden, party games.

Fortnightly

100% Attendance

Prize draw in house assembly: sweets, 5 minutes of freedom, resin gift.

Commendation

Handwritten postcard + sweets + 5HPs
Week A - HoH x3 Week B - HoY x3

5 minutes of freedom

Students can leave 5 mins early with a friend.
Staff write 1 fortnightly when streaming assembly (or up to 3 postcards per HT if spaced differently).

Daily

House Points

For being RRWS. Students receive an extra house point for each day without behaviour hits.

Positive Signatures

Full card → 6HPs & entry to the 'Golden Weald Card' prize draw at the end of term.

Build a strong core!

How to make a strong start in English, Maths and Science this year!

Subject	Y7
Maths	Complete your Sparx Maths homework when it is set, so you have time to fix any issues before the deadline. If you get stuck, use the worked example in the linked video clip to help you answer your question. If you complete it quickly, try the optional XP Boost and Target homeworks to challenge yourself and make even more progress.
English	1) Regularly read - this could be your reading book from the LRC, a book you have at home, news articles, or non-fiction texts. 2) Discuss what you are reading with other people - what do you like about it? Why? What don't you like about it and why?
Science	Make links between what you are being taught and the real world. Some things you will be familiar with as you have seen and experience them whereas other things are more abstract. When it gets tough ask lots of questions to try and understand something.

Do students work in 'set' or 'streamed' groups based on their prior attainment?

Please see our website/curriculum area for [Key Stage 3](#)

Year Group	English	Maths	Science
7	12 mixed smaller groups	2 x highest prior attainment and 1 x support group - the rest in middle	10 mixed Learning Groups

How will work be set for Homework?

The most frequent homework will be to review learning using Knowledge Organisers and PLCs (personal learning checklists). A bank of effective 'anytime' tasks [here](#) - so your child always has HW!

Other tasks will prepare for learning (e.g. research/reading) or practice skills learnt in the lesson.

Most homework is checked by being tested or used/applied in the next lesson.

Feedback might be verbal or to the whole-class - which students should act on to check and correct their work.

“

A knowledge organiser organises all the most vital, useful and powerful knowledge on a single page.

Joe Kirby,
Teacher and Education Blogger
