Information Stands

Throughout the afternoon there will be information stands available in E block canteen for Y7 and Y11 and in the Sixth Form centre for Y12. It is not possible to speak to individual subject teachers at this event as this will take place at parents and carers evenings throughout the year.

Parking

Please be aware that parking on the school site is limited, so if you are local and it is possible to walk, both the front and Sixth Form entrances will be open. There will also be extended parking on the school fields (weather permitting) with the entrance via the bus lanes. **Please note this will only be available from 3.30pm to allow the buses to leave.** A number of disabled parking spaces are available at the front of the school. If you have any special access requirements, please advise your child's form tutor. There are a very limited number of spaces available in the main car park. Please ensure you only park in the white parking bays (which are the school bays). The blue ones are for use by the Leisure Centre only. There will be Sixth Form students who will direct you to the field parking entrance. The "What3Words" reference is: arise.meanings.encroach.

Yours faithfully,

Mr B Francis
