Dear Parent/Carer,

Parent Voice Partnership

Recognising the vital role that our parent/carer community plays in supporting our young people to learn, grow and thrive, we are keen to continue to offer opportunities for parents/carers to be actively involved in our school community and engaged in open channels of communication.

Throughout the year, our Parent Voice Partnership group works closely with us as representatives of the parent/carer community and advocates of the school. We would love to hear from any parents/carers who would be keen to join us for these discussions and feel it is important that this is representative of all year groups and families within our wider community.

As a member of our Parent Voice Partnership, you will be invited to join us face to face for refreshments and discussion roughly each half term. This will be an informal platform for you to share feedback from our parent/carer community, raise any issues and discuss particular initiatives or areas of concern that we can then follow up on as a school.

The first Parent Voice Partnership meeting will be held in the school library from 5.00pm until 6.00pm on **Thursday 17 October**. Future meetings will be held at the same time and in the same location on the following dates this year: **Thursday 19 December, Thursday 13 March, Thursday 15 May & Thursday 17 July**.

Please email parents@theweald.org.uk to express your interest in joining us.

If you are not interested in joining this group but would like to raise any issues or points for the Parent Voice Partnership to consider you are welcome to also use the email address parents@theweald.org.uk to share this at any time, or use the '[Contact Us](#)' section of our website to get in touch with a member of staff.

We look forward to hearing from you.

Yours faithfully,

Ms J Rigby
