

10 June 2026

Dear Parent/Carer,

### **Royal Institute Community show - Reminder**

On Monday 22 June, we are excited to have The Royal Institution visit The Weald for year 8 Students. This will be a 1-hour Science show called 'Energy Live'. This is an interactive show, delving into a demo-filled journey through the Physics of Energy. To support the school in funding this, we are asking for a donation of £5.

They will also be offering a community show in the evening for parents and students in other years. The show will run between 5.30pm-6.30pm, also on Monday 22 June. Tickets are limited to 200 people. You can request community event tickets using this [google form](#). Children must be accompanied by an adult and siblings are welcome. Please note that if the community event demand exceeds capacity we will offer tickets randomly.

### **Evening Tickets**

We still have tickets available, please fill in the google form and come along. Family and friends of students are also invited.

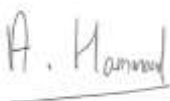

### **Donations**

You are invited to contribute £5 by 9.00am Monday 15 June. We will contact parents to confirm community tickets after this date.

Parents/carers should pay for the event using ParentPay, at [www.parentpay.com](http://www.parentpay.com) using their unique login and password. Please note that payment for the event through ParentPay acts as parental permission and therefore no reply slip is necessary. If you would prefer to pay by cash, you may do so at your local Paypoint retailer using a barcoded letter. Please request this letter from the finance department (tel: 01403 787223 or email [trips@theweald.org.uk](mailto:trips@theweald.org.uk)). Any deposits paid are non-refundable unless covered by the school's insurance policy, for example, a medical issue. In such a case supporting medical evidence is required.

Should you have any questions, please contact me directly.

Yours faithfully,

Mr A Eardley-Hammond  
Science Teacher

Mr L Hearnden  
Director of Science
