

17 April 2026

Dear Parent/Carer,

### **Assessment 2 - Religious Studies**

You may be aware from previous letters home that Year 9 students have one assessment period in the school calendar. The Religious Studies department will be assessing the Year 9 students for a second time, in the week beginning **Monday 18 May 2025**. As a school, we felt this was important due to the fact that their first assessment in Year 10 will be a mock exam, prior to their actual RS GCSE which will be sat in May of Year 10.

Our final assessment is in the week beginning **18 May 2025**. Below I have detailed the topics that students may be examined on and these are the topics we recommend they revise in the next 4 weeks:

- Christian Beliefs
- Christian Practices
- Muslim Beliefs.
- Muslim Practices - Only Shahadah, Salah and Sawm.

Students do have access to a range of revision resources that may be useful to help them prepare for this assessment. These can be found on the PLC posted on their Google Classroom, and linked [here](#) for your convenience.

In addition to this, we will set the usual RED Review homework's in the 4 weeks approaching the assessment to help them prepare. Please encourage them to complete this homework, and aim to spend at least an hour a week revising for the RS assessment.

Thank you for your understanding and support. Please don't hesitate to contact your child's RS teacher if you have any further questions.

Yours faithfully,

Miss B Johnson  
**Head of Religious Studies**
