

Welcome to our

Sixth Form Open Evening

Thursday 24 October 2024
5.00pm - 8.00pm

- 6.00pm** Short presentation in the Main School Hall with Headteacher Sarah Edwards, Head of Sixth Form Graham Cook and our Sixth Form Prefects.
- 5.00pm - 8.00pm** Subject Marketplace - displays with the opportunity to speak to students and staff
- 7.00pm** Presentation in G1 for those interested in our University Early Entry programme.
This includes: applying to Oxford & Cambridge Universities, Medicine, Dentistry & Veterinary courses.

Students will be available in the Sixth Form Centre and outside the Main School Hall from 5.00pm for visitors who wish to be guided around the site. Alternatively, please ask any student for help when needed.

New to The Weald?

We would ask that applicants currently attending other schools remain in the Main School Hall at the end of their presentation to register their interest, and to find out about Sixth Form life from students who joined directly into Year 12. Prefects will then guide those unfamiliar with The Weald to our subject venues.
