## Transition to The Weald

We have an extensive programme of activities and events to ensure that new pupils very quickly feel part of The Weald. Many pupils will already be familiar with The Weald through our locality outreach projects run in conjunction with our local primary schools. We then host our "Welcome Day" for new pupils in June together with a parents' "Welcome Evening" where all key information is shared and you are able to meet our staff.

On joining the school in September, pupils benefit from our vertical tutor groups where they quickly bond with pupils from older year groups. There is always someone nearby who is keen to lend a hand or answer a question.
