

## Year 11 SCIENCE EASTER INDEPENDENT STUDY - Triple Science

1. Attempt questions as directed in the timetable below. See what you can do **without** any resources.
2. **Then** use revision guides/exercise book notes/bitesize to help with questions that haven't been attempted.
3. Use the [periodic table](#) for Chemistry papers and [equations sheet](#) for Physics.
4. Mark your answers for individual questions of 3 marks or less. Marking lessons are from **17th April** please check your school email.

All questions are to be attempted in full, however each paper won't be completed in full due to the number of questions.
