

17<sup>th</sup> May 2019

Dear Parent / Carer,

As part of Livingstone House charity events this year, I have been persuaded (!) to wax my legs for our House charity, British Heart Foundation. This painful event will take place later in the summer term and will be viewed by hundreds of students.

Although I have set myself a target of £250, I would love to raise more! Any donation, big or small, will be gratefully received. British Heart Foundation do some wonderful work with the money that is raised.

British Heart Foundation has helped halve the number of people dying from heart and circulatory disease in the UK, but sadly every day hundreds of people lose their lives. It's only thanks to support from people like us that the British Heart Foundation can create new treatments and discover new cures.
