

September 2019

Dear Parent /Carer,

I am writing to make you aware that the school shop is taking orders for revision guides from Monday 9th September. The shop will close on Friday 20th September with revision guides expected in school around Friday 27th September. The shop will open again between the following dates for further orders:

30th Sept - 11th October

4th - 16th November

27th Jan - 7th Feb

24th April - 8th May

As you know, the new GCSE courses are largely assessed by examinations at the end of year 11. The best way to be successful in these is to regularly review material and tackle misconceptions as they occur. Owning revision guides is a good way for students to achieve this.

I attach a list of revision resources which our teachers consider to be the best support for our students. These guides are often at a reduced price compared to retailers. For some subjects there is a wide choice. For example, English study a number of set texts while history are recommending a basic guide for all and an exam preparation extension for some. If you are in *any* doubt at all about the guides your child needs, please contact the teacher or subject leader for guidance to ensure you get the best ones.

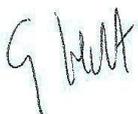

You can access the school shop via this link:

<https://www.parentpay.com/ParentPayShop/Uniform/Default.aspx?shopid=510> which can also be found on the front page of The Weald School website.

Orders will need to be made by Friday 20th September 2019. After this date a bulk order will be placed and students notified when orders are ready to collect from departments.

These books are widely available at bookshops and online as well as a range of other guides and workbooks. If you do wish to purchase resources independently please ensure you get the one for the correct examination board, course and tier (in maths, science and MFL).

Yours sincerely

Ms G Holt
Director of Learning KS4
