

24 March 2021

Dear Parent/Carer,

Teacher Assessed Grades Presentation and Q & A - Tuesday 30 March at 6pm

As you will no doubt be aware, the Department for Education announced that the Summer 2021 examinations would be cancelled back in February. Since then some guidance has been published that has allowed us to begin to plan for this. We are still awaiting exemplar assessment materials and further guidance on the Autumn series of examinations, and there are still a number of unanswered questions about some of the details of this process. However, we recognise how unsettling the delay has been for students and parents and we now feel able to share with you the approach that The Weald will be taking in the coming weeks. Therefore, we would like to invite parents to a presentation led by myself, as well as a question and answer session on Tuesday 30 March at 6pm. This will, of course, be presented remotely. We will also release some subject specific material in advance of the presentation that will be available on the school website from Monday 29 March. We will ensure that we make a recording of the presentation, should you be unavailable on the evening, and provide a link to this on the website.

If you would like to attend the presentation - or indeed if you are unable to, but have some questions that we could plan to address in the presentation - please could you complete this [form](#). This will allow us to ensure that we send the meeting link to those who wish to be able to attend live.

Yours faithfully,

Ms Z Sorrell
Interim Deputy Headteacher
