

Sept 2021

Dear Parent/Carer,

Well done for completing year 10 of your Art course. If you were not able to complete your final outcome for the year 10 Environment project at the end of last term there will be an opportunity for you to do this in September, during after school sessions. Please speak with your individual art teacher as to the day these after school sessions will be offered for your class.

This term you will be starting your new project 'Rituals and Routines'. Most of you will need to purchase a new sketchbook in which to present this project. These are available to purchase from the online school shop.

If you need to top up on any other art materials / supplies these are also available on the school shop as detailed below.

Students should make these purchases by Thursday 30th September please, so that sketchbooks / equipment can be distributed as soon as possible at the start of term.
